

# UK Miners Pension Scheme Association

**For Justice & Fair Play.**

With Support from The National Union of Mineworkers

**On behalf of All UK Coal Miners**

**To: The House of Commons London SW1A 0AA**

**The UK Miners Pension Scheme for Justice & fair play Association & the N.U.M.**

This **Association** is formed with the objective of securing justice and fair play, for every person that paid into the "Miners Pension Scheme".

At the moment our governments are not listening to us the miners and think they can just take our pension money whenever they feel like it. That is because we **were** not united and were fragmented.

Our Aim is to recover funds from the government and ensure no further raids are made on our pension fund.

All we are asking of all Mineworkers, Widows or Family & friends is that they support our **Association** and the **National Union of Mineworkers** and to pledge their support to our ever increasing list of names, with the aim to right the wrong of the 50/50 sharing of surpluses, to a more realistic percentage which reflects the guarantors' risk, and recover all monies that rightly belong to the mineworkers of the UK.

**Many Thanks for Your Support!**
